

Come Join the Mitzvah Makers

Are you aware that there is a group of Kol Ami members that collects donations of food at the Farmers Market on Yonge St. every week when it closes? Every Sunday one of our members delivers the food to The Yellow Brick House, which is a women's shelter in Aurora. We are known as the Mitzvah Makers—a name chosen by me, Rachelle Zwaigenbaum, the co-ordinator of this fantastic group of people. This has been going on for over 5 years and the last few years it has been the same few wonderful people doing the mitzvah. We are hoping that there are some other Kolamites who would like to join this group. It is a very easy deed to do and you can do it once or twice a year or as many times as you choose. You select the dates and you will get a schedule and an email reminder when your week approaches. If you can help us, please contact Rachelle at 905-771-7839 or rhrocky@hotmail.com and you will be sent all of the details including the dates that still need to be filled.

Looking forward to your involvement,

Rachelle
