

TORAH MARCH: Temple Kol Ami celebrated as the congregation recently returned home to its beautifully renovated sanctuary in Leo Baeck Day School at 36 Atkinson Ave. in Thornhill. The congregation marched its Torah scrolls back home in a spirited and public gathering that started blocks away and ended at the new Temple Kol Ami. Here, Anita Small, chair of the Kol Ami sacred space committee, brings the Torah in to the building along with Barry Bernstein and benefactor Leslie Dan. Rabbi Micah Streiffer and Cantorial Soloist Dawn Bernstein led the congregation in song as the Torah scrolls were carried into their new home.
